MX-M282N

Equipped with many of the advanced performance features that have made Sharp's colour MFPs so successful, the new MX-M282N black & white MFP is perfect for all busy offices. Combining fast colour network scanning capabilities with powerful print, copy and fax features, the MX-M282N has all the functionality and speed you need to put it at the heart of your office operation. There's a large touch screen colour LCD panel with graphical menu navigation that makes even the most advanced features instantly and intuitively accessible. IT Administrators will appreciate the Remote Access Interface which simplifies support by letting them view and operate the front panel display from across the network. Sharp's advanced device management makes it easy to control usage and costs. With the latest Sharp OSA development platform, integration with network applications has never been easier. And to safeguard the confidentiality of your intellectual property, Sharp's industry-leading security suite is second to none.Thanks to their modern design, these groundbreaking MFPs will fit right in with the most contemporary of offices.
