

Projektor

SHARP/ NEC ME403U PROJECTOR

- Minimized cost of ownership – due to long lamp life and filter exchange intervals.
- Versatile and mobile – compact and light-weight with HDMI and integrated 16W speaker.
- Display content that demands attention – with WUXGA resolution and superb brightness levels and colour ranges, your viewers will enjoy an outstanding visual experience.
- Wide array of flexible application scenarios – thanks to multi-source conferencing and efficient split-screen operation supported by a wide future-ready range of digital connectivity.
