Independing if for flower shops, boutiques or hairdresser a cashregister should bring commercial know-how with it. The technical features of the XE-A203 are realised especially for this requirement. Up to 25 clerks may have access via code entry to up to 99 departments. Open price entries offers the opportunity for discount or special sales activities. The enhanced reporting available monthly, daily or article based allows an overview of the strong and minor strong sales times and products.
