

EVER 350 Mobile Motor

High-end motorised mobile trolley

High-end mobile trolley offering motorized height-adjustability for Interactive Displays and Large Format Displays from 50" to 98".

EVER 350 Mobile Motor offers motorized height-adjustability for Interactive Displays and Large Format Displays from 50" to 98" and up to 100kg.

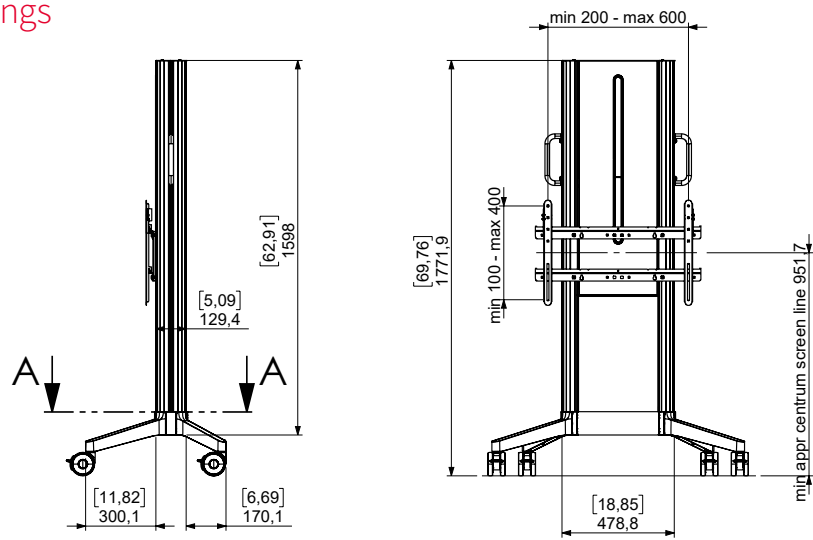

The acoustic covers, made from recycled plastic bottles, provide excellent sound-absorbing properties and contribute to a quieter and more productive work environment.

With its timeless and future proof design, the EVER Mobile effortlessly blends into any environment, both today and for years to come.

Delivering Genuine Benefits

- Motorised height-adjustment
- Professional cable management & storage space inside the main body
